

GLOBAL STRATALOGUES DINNER

Returning to the Moon with Art

Date: Sunday, October 13th

Time: 7:00 PM

Venue: Club Neera, La Selva,
Habtoor City

A dinner of exploration at the crossroads of art, technology and space. Guest of Honor, Lanette Phillips is the co-founder of Lunar Library and producer of music videos by Michael Jackson, U2, Elton John, and countless others. Oscar Wendel joins Lanette to share stories about her project landing artifacts on NASA's first return to the moon in half a century and reveals their plans about the upcoming mission. Samer Bishay, founder of KarrierOne, world's largest decentralized mobile network, he will share updates on a new groundbreaking initiative integrating banking and telecoms.
